Education

NIT Hamirpur <div align="right">Himachal Pradesh, India</div>
Bachelor of Technology - Electronics & Communication Engineering; CGPA: 8.8 <div align="right">*12/2020 - 07/2024*</div>
Courses: *Data Structures, Analysis Of Algorithms, Databases, OS,Neural Networks & Fuzzy Logic, Microprocessors, Micro Controllers, Network, Computer Organisation & Architecture, ARM Architecture*

Skills Summary

Languages	C++, Python, HTML, CSS, JavaScript, SQL
Frameworks & Libraries	React, Redux, NextJS , NodeJS, Express, MongoDB, jQuery, Mongoose, Tailwind CSS
Tools	GIT, Postman, MongoDB Compass, MySQL, VS Code, NPM
Platforms	Linux, Web, Windows, Arduino, AWS, GCP, IBM Cloud
Soft Skills	Leadership, Event Management, Public Speaking, Time Management, Communication

Experience

Qloron Pvt. Ltd. <div align="right">Remote</div>
Full Stack Web Developer Intern (Full-time) <div align="right">*01/2023 - 03/2023*</div>
- Served as a Full Stack Developer, demonstrating expertise in various technologies.
- Delivered multiple projects successfully within stipulated timelines, ensuring on-time completion.
- Analyzed, updated, and maintained existing code-bases to optimize functionality and performance.
- Demonstrated strong project management skills by overseeing project timelines and ensuring timely submissions.

Projects

MyYouTube (React, Redux,Testing-Library)
- Developed a React and Redux-based Single Page Application (SPA) with seamless routing for a smooth user experience.
- Implemented advance optimization techniques like 200 ms debouncing for search and caching for enhanced performance.
- Built support for nested comments to enrich user engagement.

ShareWare (Javascript, MongoDB, Express, NodeJs, EJS)
- Established a web platform for users to request and provide items based on their needs.
- Crafted an intuitive UI for easy navigation along with a robust authentication system.
- Leveraged MongoDB as backend database for efficient data storage and retrieval to serve the users effectively.

WonderLand (React,RapidAPI)
- Created a dependable online platform providing accurate and user-friendly information.
- Integrated multiple APIs from various sources, ensuring seamless collaboration.
- Enhancing the platform by adding features like recommendations, watchlists, and voice search capabilities.

Save a Tree - (Javascript,NodeJs,Image information Extraction) (Work in progress)
Helps survey the current rate of afforestation and deforestation without need of physical presence. The user uploads a geotagged pic of a fallen tree and using image information extraction the location is mapped and a database is created. Available space is marked for plantation of new tree or Liquid3. (Feb '23)

Honors and Awards

- SVJN Silver Jubilee Merit Scholarship
- Runner's Up at Electrothon 3.0, a national level electrothon conducted by NIT Hamirpur
- Academic Excellence Award   Felicitated by Shree Ashok Goyal (Chairman, Tirupati Pharmaceuticals)
- Academic Excellence Award   Felicitated by Dr. SP Singh Oberoi (Chairman, Apex Group of Companies , Dubai)
- Academic Excellence Award   Felicitated Mr Arjun Juneja (COO, Mankind Pharmaceuticals)

Volunteer Experience

Google Developers Student Group (Web Team Lead) <div align="right">**05/2022 - Present**</div>
- Collaborated on various projects, contributing to their successful execution and completion.
- Orchestrated and managed diverse events, including workshops, drawing in 450 plus attendees
- Demonstrated strong leadership skills by efficiently managing a team of over 100 plus members.

Sustainable Club of NIT Hamirpur SCON <div align="right">**01/2023 - Present**</div>
- Organized and delivered training sessions on sustainable practices,impacting a wide audience.
- Conducted surveys to gather valuable insights.

Society for Promotion of Electronics Culture SPEC <div align="right">**12/2020 - 06/2022**</div>
- Hosted national-level hackathon driving 1000 plus students across nation
- Developed creative solutions for challenges related to college student life.
